

**Date Posted:** October 27, 2011

**Summary:** The Edmonton West PCN has 29 family clinics with 106 family physicians involved in our Primary Care Network. The PCN has undertaken several major initiatives to improve primary care delivery in Edmonton's west end.

The Edmonton West Primary Care Network is currently looking for locum physicians to provide coverage in several family practice clinics. Locums will be connected to the requesting clinic for further details.

For more information please contact:

**Attention: Cheri Ell, Program Coordinator**

Edmonton West Primary Care Network

Suite 301, 8708-155 Street NW

Edmonton, Alberta T5R 1W2
