

**Edmonton West Primary Care Network is recruiting**  
Physicians at the Low Risk Maternity Clinic

**Clinic Description:**

No overhead payments, an amazing team to work with, and the ability to continue your obstetrics practice. This clinic offers a service to patients and family physicians in the west end of Edmonton. You do not need to be a member of the PCN to refer patients. All deliveries take place at the Misericordia Hospital. Once mom and babe are discharged, they will return to the referring Family Physician.

The hours of operation are Monday-Friday 0900 am -1200 pm.

You would be required to work in the clinic one half day/week, with 24 hours of call as well as 48 hours on call one in six weekends.

Paper records are utilized in clinic.

Staff for the clinic consist of 1 Medical Office Assistant and 1 LPN.

Payment is fee for service with a guarantee of \$222.00 per hour, plus availability payment for days on call.

**Qualifications & Experience:**

- Advances in Labour and Risk Management (ALARM) (desired)

**Licensing Requirements:**

All physicians who wish to practice in Alberta must hold a valid license with the College of Physicians & Surgeons of Alberta. For more information on obtaining this license and the eligibility requirements, please visit [www.cpsa.ab.ca](http://www.cpsa.ab.ca)
